Dear Dale and Housing Authority of Chester County Team,

I am writing to thank you for the generous in-kind donation of 97 gift cards to support our Hannum and Ash Park community residents. Your thoughtful and kind gesture, valued at \$6,300, is appreciated by those who received your gifts and by our entire HDC team. As we all continue to navigate the Covid-19 crisis, support of this magnitude can't be understated. We appreciate your partnership and are happy to have you as a part of our HDC community.

In addition to building homes, HDC is committed to serving and supporting our residents. Our dedicated and experienced Resident Services Team regularly partners with a wide variety of service providers, as well as other non-profits, to provide referrals to the social services resident's need. These referrals help individuals and families navigate health and medical care, government programs, legal services, and a myriad of other resources that improve economic self-sufficiency, increase the likelihood people remain in their homes, and are engaged in their communities. Our eviction prevention program has helped over 125 families remain in their houses and avoid the very worst consequences of losing a home. In 2019 alone, the Hope and Opportunity Fund, which supports residents in crisis, was able to provide over 70 individuals and families with emergency funds to prevent eviction filings. On average, \$600 was all it took to navigate a medical issue, car repair, loss of work, or other temporary financial setback that could have otherwise led to eviction.

Thank you for believing in our mission and for building hope and opportunity in our communities. We're grateful to you for your generosity and support of HDC MidAtlantic, and the people and communities we serve.

With appreciation,
